PRELIMINARY AMENDMENT

Commissioner for Patents  
Washington, D.C. 20231

Sir:

Prior to examination, please amend the above-identified application as follows:

IN THE CLAIMS:

Please enter the following amended claims:

10.- Device, as in claim 5, wherein flow regulation and two-way damping means (67) are inserted in the conduits that connect the central device with each of the hydraulic rams at the wheels, or in the conduits between hydraulic rams of conjugated wheels.

14.- Device, as in claim 6, wherein some means are provided to introduce pressurized gaseous or hydraulic fluid in the central cavity, or drain it, with the purpose of varying the average distance between the wheels and the vehicle body.

REMARKS

Entry and consideration of this Amendment is respectfully requested.

Respectfully submitted,
